

In challenging economic times... effective marketing is even more vital

As part of Team Nottingham, RizkMcCay will be at MIPIM next week, so why not come on board to talk to us about how we can work your marketing budgets harder this year.

RizkMcCay is a highly creative design, advertising and branding agency, based in Nottingham UK, working with local, national and international clients.

As a dynamic and rapidly growing presence, we offer expertise across a variety of disciplines, including brand identity, marketing strategy, sales literature, website and exhibition design. Our most recent project includes the Invest in Nottingham branding and all its marketing material for MIPIM 2009.

So come and join us on the Nottingham yacht, Powder Monkey, during the week. Please call first so you don't miss your chance to get on board.
